
This OLR 2.0 Updated Version is for offering M.Pharmacy courses

The Below 4 Steps must be carried out by the System administrator of the college
for registration of M.Pharmacy university exams

Step 1: Type the following U.R.L in the browser
<http://122.252.228.135:8080/olrmpharmacy>

Step 2: Online Registraton Login page
Enter the Username as:admin_collegecode(give your collegecode here)
Enter Password:root

Step 3: In order to change the password Goto AdminOptions and click on change Password.
Please note that change of password is strongly recommended for the security of database.

Step 4: After that go to Admin Status and then select Allow registrations option
Unless the system administrator selects this option, no one is allowed for registration process.

Step 5: Now Goto uploadPhotos option. Then upload the photos as collegecode.zip

--> Once the adminstrator completes the above process, any student can do the Registration process
Online
as usual by entering their username and password (Both are set as hallticket number).
