

Circular

The Principals of all affiliated colleges were requested to submit the approved list of students admitted into B. Tech and B. Pharmacy courses under Convener/Spot/PIO/Management quota for the academic year 2016-17 before 13.10.2016. But some colleges have failed to submit the same within the stipulated date. It will be difficult to process the files and prepare the hall tickets for the Nov/Dec 2016 exams. You are given a last chance to submit the files along with common services fee of first year, on or before 22.10.2016. Otherwise fine will be imposed for late submission and the files will not be accepted just few days before the commencement of examinations.
